Introduce a business to CQD. Earn £250 when they sign.

We clean commercial premises every day across 33 named locations. If a client, tenant or buyer of yours needs a cleaning contractor, one introduction is all it takes — we handle everything from the first site assessment to the handover.

£250 per signed cleaning contract

Paid once the new client has completed their first month. No cap on how many introductions you make, and no paperwork beyond a short referral agreement. This is a commercial arrangement between two businesses — there is nothing for your client to sign.

Where we clean

33 named locations across the South East and Home Counties, including Slough, Maidenhead, Reading, High Wycombe, Windsor, Bracknell, Beaconsfield, Marlow, Amersham, Aylesbury, Oxford and Uxbridge. Cleaning times are agreed with your site, so we work around trading hours, shift patterns and clinic lists.

Why a CQD introduction reflects well on you

No long-term contract

Fixed monthly plans with 30 days' notice either way. Your client is never locked in, which makes the recommendation an easy one to make.

The same team, every visit

A dedicated two-person team is assigned to each premises, with cover teams in place whenever a regular cleaner is absent.

Missed cleans put right

If a clean is missed we return and put it right. Standards are documented and checked, not assumed.

How the referral works

1. **You introduce**
   Send us the business name and a contact. A short email is enough.
2. **We survey**
   Free, no-obligation site assessment and a tailored cleaning plan, usually within days.
3. **They start**
   Daily cleaning typically begins within 5–7 working days of agreement.
4. **You're paid**
   £250 once their first month is complete. Invoiced or credited, whichever suits you.

Who we work with

Office fit-out contractors and workplace designers · serviced office and co-working providers · commercial estate agents and property managers · office removals and relocation firms · facilities management companies that subcontract cleaning.
